THE DOCK & HARBOUR AUTHORITY

Index to Volume LVII

May 1976—April 1977 Nos 666-677

A

Aberdeen, container handling depot, 359
dock entrance widening, 14
harbour works near completion, 236
oil rig supply revenue, 328
operating surplus from oil, 19
portal luffing cranes, 97
rig vessels revenue, 207
ro/ro terminal, 236
Abu Dhabi, new port plans, 408
Accidents, report, 229
Alaska, pipeline progress, 169
Alexandria, extensions, 64
port project, 176
Algeciras, container terminal, 295
Algeria, shipping agreement with Poland, 417
Alpine port for training, 339
Ambulance launches, 398
Amsterdam, Rhine canal, 202
traffic, 294
Applying regulations on Sea Collision, 112
Another ro/ro berth for Southampton, 125
Arab insurance '77, 448
Ardrossan, development, 61
Auckland, port trade, 409
Australia, Cockburn Sound pollution, 224
Garden Island, 412
Mackay trade figures, 409
marine environment dilemma, 350
navigation network, 464
oil prospecting, 257
oil spills enquiry, 436
Port Hedland, ore handling plant, 296
productivity incentive, 299
re-opens its ports to nuclear warships, 127
Auto-pilot system, 336
Ayr, trade improvement, 224

B

Bahrain, clay conduit, 15
Mina Sulman development, 176
Baltic Sea, 10
Baltimore, containers, 416
dredging, 370
high cargo levels, 328
marine terminal, dredging contract, 300
total foreign tonnage, 361
Bandar Shahpour, berth work, 65
open to traffic at night, 362
Barge, flat deck, 363
freight problems, 33
Bass Strait, drilling programme, 257
Beaumont, new marine terminal, 362
Beirut, study, 450
Bibliography of Shipping Economics, 390
Bilbao, 43
breakwater, 14
cargo containers, 30
maritime conference and fair, 165
Bishop Lighthouse, helicopter pad, 223
Blyth, 49
Book reviews, 308, 413
Bordeaux, container record, 328
container terminal, 408
container traffic, 208
Boscastle, harbour wall repair, 16

B — continued

Botany Bay prepares to become premier container port, 387-389
Boulogne, hovercraft and ro/ro berth, 7-9
ro/ro installation, 449
ro/ro up, 208
Brazil, Praia Mole, new port, 450
shipbuilding, 100
sub-sea completion system, 355
Breakwater, design for San Ciprian, 43-46
floating concrete, 325
perforated vertical wall, 194
symposium, 389
Bremen, extension, 64
port labour school, 34
tests computer system, 357
turnover, 249
Bremen/Bremerhaven, cargo handling, 294
extensions, 450
record container handling, 360
Brighter prospects for the Great Lakes ports, 6
Brighton, offshore conference, 67
Brisbane, 88
Bristol, 416
dock opened, 327
harbour redevelopment, 270
West Dock, 157
British Transport Docks Board (BTDB), 37, 137, 177, 211, 227, 453
College, 370
courses, 13
record profit, 273, 343
British Waterways Board, 202
Brunel, biography, 308
Buffalo Harbour, 114
Bulk carrier, 124
U.K. order, 69
Bulk terminals, 282-284
Bunbury, new harbour, 64
Buoys, miniature, 372
virtually indestructable, 221
wayward, problem of, 93
Burnie, port development, 234

C

Cable, ship conversion, 217
Caissons, 3
Dubai lifting, 149
Canary Islands, ferry traffic increase, 361
Cape of Good Hope, 60
Cape route, Sumed challenge, 355
Cape Town, tugs, 187
Cardiff, 191
Cargo, in transit, 60
Cargo control system, computerised, 22
Cargo Handling and Transport News, 25, 71, 104, 138, 183, 212, 251, 302, 333, 363
Cargo liner services, new directory published, 137
Cargo ports, 89
Catamaran refuse collector boats, 103
Celtic Sea, 128
Channel Navigation Information Service (CNIS), 287
Chartered vessel, 356
Charterer pays for unwanted tanker, 290
Chesapeake, ore terminal, 230
Chile, navigation aids, 454
China, Dairen, oil terminal, 295
Sek Lung port construction, 22

C — continued
shipping industry expansion plans, 406
Claiming damages in dollars, 447
Claiming interest on a salvage award, 31
Clippers, 75
Clyde marina, floating concrete breakwater, 325
Clyde Port Authority, 61
Coal, Hay Point terminal, 161
Coastal conservation in Sri Lanka, 281
Coastal navigation aids, performance and cost benefit, 338
Coastal sediments and structures, US symposium on, 277
Coastguard radar for Dover Straits, 287
Coastguard, safety launch, 336
Coastguards, own association, 402
Coldstore, liability for rates, 13
Collision, regulations, 112
Colombo, container facility, 450
LASH Jeddah service, 253
Company News and Appointments, 36, 78, 96, 156, 192, 226, 266, 312, 342, 378, 424, 466
Compensation for loss of future earnings, 421
Computer system, Bremen, 357
Concentrated loads, 314-317
Concrete platforms, research, 130
Conference on security of cargo in transit, 60
Congestion, hoverlighters could ease, 302
Containers, 171
Baltimore, 416
carrier, cellular, 28
carriers, 109
cranes, 49, 111
dwell time, 425
facility, Colombo, 450
gantry, 252
handling, Sheerness, 451
Hong Kong traffic, 417
insulated, 106
Ipswich success, 247
port, Botany Bay, 387
shipboard cranes, 181
ships ordered, 184
Container services,
Hamburg/South Africa, 208
Liverpool/Dubai, 363
London/Chicago/Detroit/Toronto, 104
London/Latin America, 363
Rouen/Lisbon/Bilbao/Casablanca, 72
Tilbury/New York/Philadelphia/Baltimore/Savannah, 138
Toronto/London, 303
UK/Canada, 416
US/Jeddah, 104
Containership, need for replacement, 347
Container terminal, Gdynia, 450
mouth of Seine, 333
Continuous ship unloader, 456
Contract dredging measurement, 242
Contract dredging — theory and practice, 241-244
Contract, liability extent, 173
Contracts let for harbour works at Jubail, 145
Conveyor kit, 412
Copenhagen, goods turnover, 63
Cork, pilot launch, 336
Cornwall, dredging for tin, 189
Court of Appeal ensures justice, 245-246
Cranes, 24
automatic, 109
cargo for Kuwait, 139
container, 181, 456
container for Tilbury, 212
deck, 214
derrick for South Africa, 304
floating, 185
floating for Iraq, 335
heavy lift for Baltimore, 461
overload protection device, 418
C — continued
sheer leg, 212
wire rope tension indicators, 419
Cuba, hopper barges, 151
Customs and Immigration, vessels, 398
Customs craft, interception, 459
Customs launch, for Ireland, 457

D

Dammam, harbour contract, 263
ro/ro craft ordered, 151
Dar-es-Salaam, cargo figures, 329
Darling harbour, wharf demolition, 250
Dart, River, 190
Decompression chamber, submersible, 206
Deira Sea Corniche, reclamation project, 66
Demolition of Newhaven's 100 year old swing bridge, 115
Design analysis of steel platforms, 132
Developing countries, port studies, 228, 318
port study plan, 291-192
Developments on the waterways, 201
Diary, 174, 222, 266, 281, 324, 357, 406, 446
Divers, monitoring offshore platforms, 131
Diving, communications, 182
Diving vessel, 110
Dock, floating, 209
conversion, 187
for Genoa, 186
Dock gates, Dubai, 452
Dock Labour Scheme, 117, 273
Dock Work Regulation Bill, 117, 273
Dock Workers' Employment Scheme, 273
Dock workers' severance, 379
Dockers' attitude to change, 47-51
Docks Board Directory, 319
Doha, wharf extension, 108
Dollars, claiming damages in, 447
Dover, continental passenger figures, 294
Eastern Docks development, 97
expansion at, 348
ferry departures up, 175
ferry figures, 142
Harbour Board, 62
hovercraft entries, 62
hovercraft services, 349
hoverport, 215
hoverport contract, 14
hoverport progress, 358
port servicing, 220
ro/ro freight berth, 62
ro/ro freight record, 252
ro/ro services, 349
Dover Straits, coastguard radar, 287
Dredger, bucket, 147, 180, 453
cutter suction, 180, 265
cutto, 216
for tin, 368
pipe, 458
steam, 180
Suez Canal, 412
Dredging, Baltimore, 370
Baltimore contract, 300
Conference, 108
contract, 241
course, at Southampton, 148
Dammam contract, 263
Dunkirk contract, 216
for tin, 189
harbour sea bed, 59
hopper barges in Cuba, 151
Goodwin Sands, 215
in Western Australia, 147
Newcastle (Australia) 451
Newcastle channel deepening, 264
plant for Gothenburg, 16

D — continued
research, 241
Ribble estuary, 431
River Plate, 412
St. Malo, 288
sand, 179
Suez Canal, 263
Symposium, 180, 325
US market, 413
Drilling vessel, USSR purchase, 130
Dry dock, Dubai, 2
Dubai contract, 214
Gdynia expansion, 268
lift dock, 217
Southampton modernisation, 218
Dubai, caisson lifting, 149
dock gates, 452
dry dock, 2-5, 404
dry dock construction, 22
dry dock contract, 214
new harbour scheme, 176
piling package, 301
tunnel, 65
Dublin Port, reclamation, 326
Duluth, 6
Dunkirk, 121
bulk terminal, 451
dredging contract, 216
new port installations, 142
traffic increase, 408
Dunlin platform, 169
Durban, new terminal opened, 99

E

Earnings, compensation for loss of, 421
Economic and technological forecasts for the Port Plan, 380
Editorial, 37, 79, 117, 157, 193, 227, 273, 313, 343, 379, 425
EEC ports, competition, 193
El Salvador, 429
Elbe Lateral Canal, 142
Engineering courses, related to ports, 433
Equipment and Services, 23, 73, 109, 152, 181, 220, 261, 305, 331, 372
European Economic Community (EEC), grants for ports, 79
Expansion at Dover, 348-350
Expansion of coal loading facility at Hay Point, 161-162
Extent of liability under a contract, 173

F

Far East, timber trade, 127
Fawley, facilities improvement, 301
Felixstowe, 37, 49, 117, 275
Dammam ro/ro service, 214
investment after takeover, 294
port training, 198
ro/ro ferry, 25
ro/ro sailings, 25
stays private, 227
tonnage increase, 449
Fender, inflatable, 455
rotating, 458
Fendering, chain, 67
Fenders, 297
Ferries, Aberdeen/Lerwick, 63
Cork/Swansea, 26
Dover/Dunkirk, 142
Fleetwood/Douglas, 140
Liverpool/Dublin, 139
Plymouth/St. Malo/Rosscoff, 92
Scandinavian, 118
Sheerness/Dunkirk, 417
Sheerness/Vlissingen, 26
Fifty Years Ago, 35, 77, 114, 155, 191, 225, 272, 309, 341, 377, 423, 465
Fire boats, 397, 404

F — continued
Fish barrels, 252
Fish, modernised handling, 375
Fishguard, 128
Fishing vessels, safety convention, 436
Fleetwood, River Wyre studies, 107
traffic record, 407
Floating concrete breakwater, 325
Flood prevention, Thames, 411
Florida, railway dry dock, 406
Folkstone, more ro/ro traffic expected, 323-324
Forktruck, 110
Forth Ports, surplus, 21
Forties Field, 132
France, budget down, 409
increased port expansion, 160
maritime ports, 409
Freeport status, 313
Freetown, 279
Freight containers, 171
Freight operators, insurance, 326
Freight problems, for barge, 33
Freight services, Gainsborough/Rotterdam, 140
Hull/Jeddah, 71
London/China, 175
Lowestoft/Iran/Iraq, 358
Rotterdam/London, 71

G

Gabon, iron ore terminal, 148
Galveston, cargo increase, 408
Gas, New Zealand drilling, 129
North Sea pipeline, 354
treatment platform, 128
Gdansk, Bay of, 11
Gdynia, container terminal, 64, 450
dry dock expansion, 268
storage terminal, 249
General and Municipal Workers Union (GMWU), 47
Genoa, floating dock, 186
German North Sea Platform, 134
Gijou, 43
Gladstone Port, dredging, 108
Goodwin Sands, dredging, 215
Goole, good trade results, 327
greater traffic, 175
new development, 293
Gothenburg, dredging plant, 16
major rationalisation at, 426
new harbour, 208
turnover up, 248
UK freight increase, 328
Grain, bulk properties, 38
handling contract, 184
Grain silos, design problems, 37
ocean terminal, 38
Granadilla, industrial port, 64
Great Lakes, ports, 6
Great Yarmouth, trailer parking increase, 334
Grimsby, car shipment, 19
Grimsby & Immingham, traffic increase, 449
Groundwater, satellite measures, 370
Guernsey, 120
tomatoes, 285
Gulf, projects, 65

H

Hamburg, buoys launched, 23
construction projects, 360
Elbe Canal link, 142
South African container service, 208
transit traffic, 294
Harbour craft, 397-400
Harbour Masters launches, 398
Harbour navigation by sea-bed wire, 109
Hartlepool, 309
development, 293

H — continued
Harwich, channel clearance, 147
control over shipping movement, 463
Havre/Antifer, 142
Hay Point, expansion, 161
Heavy-lift, vessel, 297
shipping firm, 337
ship-to-shore, 303
Helicopter pad, Bishop Lighthouse, 223
Helsingborg, cargo turnover, 408
passenger traffic, 248
Holyhead, reconstruction, 335
Hong Kong, 35
cargo records increase, 209
container forecast, 249
container ships, 270
container traffic growing, 417
metro tunnel construction, 15
navigational aids, 405
new oil facilities, 99
ship repair yard, 267
Houston, computerised cargo control system, 22
Hoverbarge, 72
Hovercraft, 7, 25
development, 213
multirole, 71
services, 349
transmission problems solved, 337
Hoverlighters could ease congestion, 302
Hoverport, Boulogne, 7
Dover contract, 14
Dover progress, 358
Hovertransporters, 66
Hull, 71
bonded ships store, 247
Middle East ro/ro service, 26
Humber Estuary, 133
Humber Pilotage Authority, 167
Humber, shore based radar, 166
Humberside, 86
Hunterston ore terminal, 213
Hydraulics, noise study, 16
Hydrographic Conference, 16th Annual Canadian, 174
Hydrographic Society, 52
Hydrostatic sand structure, 254
Hyperbaric welding ship, 353

I

Immingham, oil jetty, 133
ro/ro sailings, 25
Importance of the Cape of Good Hope with respect to Suez, 60
Indian Ocean, 60
Indonesia, Belawar design for development, 361
oil developments, 258
Surabaya port improvements, 209
Tanjung Priok loan for development, 361
Tanjung Priok port expansion, 177
tin dredger, 368
tin ore dredger, 301
Inflatable fender, 455
Inland port, 199
Inland ports abroad, 199
Inland shipping, 200
Inland waterways seminar, 199-202
Inland waterways, UK, 193
Inshore life-boats, 401-402
Insurance, for freight operators, 326
Inter-Governmental Maritime Organisation (IMCO), 343
International Association of Lighthouse Authorities (IALA), 92
International Conference on Coastal Engineering, 16
International Harbour Meeting, 193
Investigation of vessel mooring subject to wave action, 429-430
Ipswich, container success, 247
Europort ro/ro service, 417
Orwell bores, 216
Iran, dockside contract, 251

I — continued
new port, 451
Iraq, floating crane, 335
Ireland, offshore oil base, 265
Islands in the sea, 254
ISO Technical Committee, 171-172
Israel, land bridge, 460

J

Japan, earthquake destruction, 114
oil field production, 354
Suez Canal contract, 300
Jeddah, 71
container service build up, 104
LASH Colombo service, 253
operating contract, 249
port contract, 146
Jersey, harbour deepening, 67
Joint North Sea Information Systems, 52
Jordan, floating berth, 176
port facilities, 325
Jubail, contracts for harbour works, 145
push tugs, 457

K

Karachi, 465
Kiel Canal, 225
tonnage increase, 362
Kuwait, cargo cranes, 139

L

Lagos, congestion cures, 21
delays eased, 292
port construction, 143
Largest steel platform yet, 168-169
LASH, 202, 274
Colombo/Jeddah service, 253
legal position, 210
Lease or licence for dredging a harbour sea bed, 59-60
Legal Notes, 31, 59, 112, 136, 173, 210, 245, 290, 330, 356 421, 447
Le Havre — Antifer oil terminal, 63
Le Havre, heavier load plans, 212
largest ship visits, 359
traffic increases, 207
Le Verdon, container through-put, 359
Leningrad, 272
Lerwick, record income, 359
ro/ro berth, 63
Liability for rates on a cold store, 13
Liability for ship owners, updated, 396
Libya, Tripoli extension, 158
Life-boats, in shore, 401
Lift-dock, 217
Lighthouse, Pendeen Watch, 464
Lighthouses, Finnish, 456
Linear loader, 246
Liner companies, 89
Liverpool, 56
cargo problems, 379
container services, 416
grain silo erection, 359
Mersey Docks and Harbour Company, 61
profit made, 248
second silo, 97
Loads, concentrated, 314
Lockgate operation, 111
London, cargo won back, 335
China trade, 175
dock lighting, 153
Joint Port Trade Development Committee, 289
looking for more trade, 1
more investment needed in dockland, 289
operations centre, 98
Peruvian ships, 248
PLA loss, 141
Port of, Authority, 57
Port of, Joint Port Trade Development Committee for the, 37

L — continued

Tilbury container cranes, 212
Tilbury container terminal, 17
Tilbury riverside berth, 207
timber carrier discharges, 253
upper docks rationalisation, 293
Long Beach, study, 450
Los Angeles Harbour, 341
Lowestoft, Iran/Iraq service, 358

M

Major rationalisation at Gothenburg, 426-428
Malaccan Straits, 443
Malaysian hardwood trade, 183
Management structure, top, 445-446
Manchester Ship Canal, bucket dredge, 147
contract, 262
Manual on Port Management, 382
Marine Craft, 403, 457
Marine environment, Australian dilemma, 350
Marine pilotage, committee appointed, 402
Marine sewage system, 23
Marine technology, SRC training report, 174
Marketing of port services, the, 89-90, 205-206
Marseilles/Fos, port industrial complex, 407
Marseilles, sailing ship nostalgia, 223
Mauritius, port facilities, 179
Medway Ports Authority, 62, 79
Melbourne, coal char exports, 251
container crane, 86
new floating crane, 105
trade figures, 144
traffic figures, 409
Mersey Docks, crisis 1970, 49
Merseyside, unemployment, 313
Methods of measuring sea level, 54-57
Middle East Port Developments, 154
Middle East services, 71
Milford Haven, 128
Millwall, covered terminal, 61
Mina Sulman, port development, 176
Modern Management Techniques, 385
Mombasa, berth construction contract, 326
Monte Cristo, 115
Montreal, Port, 155
Montrose, harbour/pilot launch, 188

N

National Dock Labour Board, 117, 273
National Dock Labour Scheme (NDLS), 37, 47, 431
National network to monitor sea level and the Committee on Tide Gauges, 53-55
National Ports Council (NPC), 227, 379
accident report, 229
1975 schemes, 79
port statistics, 247
National Union of Railwaymen (NUR), 47
Natural gas, Brent pipeline, 108
Nautical assessors, 136
Navigation, harbour, 109
Navigation aids, coastal, 338
for Chile, 454
Near East ports seminary, 448
New Bedford, harbour development, 329
New Orleans, 225
heavy machinery shipping to Middle East, 450
new wharf facility, 99
New South Wales, trade figures, 409
New Zealand, offshore rig, 129
Newcastle (Australia), channel deepening, 264
development, 64
dredging, 451
Newhaven, cargo handled, 407
reconstruction of quay wall, 216
reconstruction work, 410
swing bridge demolition, 115
